

PROFILE

I am an Backend development with a passion for Web technology. I have a strong background in website development and have an interest in staying abreast of the latest trends in web application development. I believe I have the necessary skills to excel in this field. My technical skills include Node JS, mongoDB, JS, Visual Studio and Front end coding. I am also familiar with Visual Studio Material Design, and other development tools. I am a quick learner and have a strong work ethic. I am confident that I can make a positive contribution to any back end development team.

Red & White Multimedia Education

2023 -2024

PROJECT

ZOMATO API (NODE JS , JAVASCRIPT)

Develop a Zomato backend API using Node.js and Express.js. Implement restaurant data, user authentication, review submissions, and product add.

BLOG WEB (NODE JS , JAVASCRIPT)

Creating a blog project with a Node.js API, offering a seamless and robust platform for content management and publication. Leveraging Node.js's efficiency and versatility for a dynamic blogging experience.

SPORT API (NODE JS , JAVASCRIPT)

Creating a sports project with a Node.js API for real-time sports data retrieval and analysis. Leveraging Node.js for scalability and performance in delivering comprehensive sports information.

ADMIN PANEL (FRONT-END CODING , JAVASCRIPT)

Proficient in front-end development, skilled in creating user-friendly admin panels using HTML, CSS, and JavaScript. Excited to build engaging web projects that enhance user experiences.

WORK EXPERIENCE

NODEJS DEVELOPMENT - INTERSHIP

APRIL-2024 TO JUN-2024

Ghanshyam Digital LLP-Surat

I completed a 3-month internship as a Node.js developer at Ghanshyam Digital LLP, where I gained knowledge of SQL, PostgreSQL, and SQLite, including query creation and multiple database connection methods in Node.js. I also learned about AWS server hosting and APIs, as well as the NestJS framework, and built a simple e-commerce API using NestJS.

NODEJS DEVELOPMENT

JULY-2024 TO DECEMBER-2024

Ghanshyam Digital LLP-Surat

I have worked for 6 months as a Node.js developer at Ghanshyam Digital LLP, where I worked on an e-commerce admin panel, integrated Agora live streaming, and resolved project errors.

NODEJS DEVELOPMENT

DECEMBER-2024 TO FEB-2025

Freelancing

I am working as a Node.js developer on freelance projects, focusing on NestJS API integration, live streaming integration using Vonage, document verification, and Socket.io implementation. I also handle API deployment and management on AWS servers.
